SITRAIN™ Schedule

Note: This document contains the SITRAIN schedule as of 1/21/2010 and is subject to change. Visit the SITRAIN LMS and Browse the Catalog for the latest schedule. You can enroll online at the SITRAIN LMS or by calling the SITRAIN Registrar at 800.241.4453.

Registration, Course, Location and Onsite Information

Siemens Industry, Inc. is committed to providing quality and excellence to the worldwide automation industry. The Customer Training organization provides a wide variety of educational services and products. A dedicated staff of professional instructors and a large investment in hands-on equipment insures quality results for your training investment.

Course Selection Steps

1. Determine the specific type of Siemens equipment involved in your application. Note model numbers for future reference.
2. Determine specific job tasks, such as: maintenance, troubleshooting, programming or design.
3. Identify the course title most appropriate for the Product and Student Type.
4. Obtain a copy of the Course Description.
5. Review the prerequisites, goals and profile to insure the course meets your specific needs.

Cancellation and Refunds

Cancellation requests must be received by Siemens no later than one week prior to the start of the class in order to qualify for a full refund. Only 80% of the tuition will be refunded for cancellations made less than one week prior to the start of class. You will be charged in full for students who fail to show up for class without prior notification.

How to Register

Call our registrar at 800.241.4453, visit www.usa.siemens.com/sitrain, or contact your local Siemens distributor. An acknowledgement letter (including training center maps and hotel information) will be sent following enrollment. You will need the following information:

- Course title, dates & location
- Company name, mailing & billing addresses
- Telephone & fax numbers
- PO number or Credit Card Information

Course Descriptions

This brochure contains schedules for all Siemens Industry courses. A detailed description of each course can be obtained from the following sources:

- Call us at 800.241.4453 and we will be happy to fax course descriptions to you.
- Visit our web site for Course Descriptions as well as other information on Siemens Training.
www.usa.siemens.com/sitrain
- Contact your local distributor or Siemens Account Manager

Required Prepayment

Payment may be made by Advanced Check, Purchase order, VISA, MasterCard or American Express. Please include the student's name, course title and date on your check. Registration and payments may also be made through your local Siemens Technology Center - distributor (STC). Reservations are not guaranteed until payment information (check, purchase order or credit card) has been received. Course fees do not include travel, meals, accommodations or other expenses. Prepayments and purchase orders should be addressed to:

Siemens Industry, Inc.
5300 Triangle Pkwy., Suite 200
Norcross, GA 30092
Attn: Customer Training

Class Logistics

Please arrive at the training center at least 15 minutes before the class starting time. Classes normally run from 8:30 AM until 4:30 PM Monday through Thursday, and 8:30 AM until noon on Friday. Lunch hour is normally from noon until 1:00 PM. The student should check out of the hotel on the last morning of class. Classroom attire is business casual. Student lunches are not included with tuition however, light refreshments are provided each day.

Right to Cancellation

Siemens reserves the right to cancel a class and refund tuition if enrollment is insufficient to hold the class. We suggest refundable airline reservations or consulting with our registrar before booking non-refundable tickets.

Training Locations and Accommodations

To obtain directions to a given location along with an up-to-date list of selected hotel accommodations, visit our web site at: www.usa.siemens.com/sitrain or, call us at 800.241.4453 and we'll be happy to fax directions to you. Where possible, favorable hotel rates have been secured. Students are responsible for making their own hotel reservations. Travel and living expenses are not included in the price of the course tuition, nor are they the responsibility of Siemens.

Confirmation Letters

Two types of confirmation letters are sent. An order confirmation is sent to the individual who placed the training order. This letter includes pricing and billing information. Please review this information upon receipt and notify us immediately if any information is incorrect. Also, each enrollee will receive a confirmation letter confirming his or her enrollment. This letter includes the class title, starting date, starting time, ending date and ending time.

Onsite Training

Most of our standard courses as well as custom designed programs can be held onsite using our portable equipment and standard course materials. The customer is responsible for providing a quiet classroom with an overhead projector, projection screen, white board or equivalent and appropriate electrical power for the equipment. Several weeks advance notice is recommended for successful onsite training. For additional details, please call the training registrar. Helpful information from you includes:

- Equipment type and model number
- Preferred Dates
- Student profile and application
- Location and accommodations

Onsite Pricing

Onsite pricing is based on the product, normal student rate, number of students and the length of the course. Included in the price are:

- All Course Materials
- Rental of Training Equipment (1 set for each 2 students)
- Freight for Training Equipment
- Travel & Living Expenses for the Instructor.

SITRAIN Customer Training Policies

Payment and Enrollment Confirmation

Enrollments are tentative and may be forfeit until one of the following is received.

1. An official company purchase order. Fax your purchase order to 770.625.5798. All enrollments on your purchase order will be invoiced during the week of the first class on the order. Standard payment terms are Net 30.
2. Payment via credit card. Siemens accepts VISA, MasterCard and American Express.
3. An advance check. This form of payment requires special arrangements and is therefore discouraged. However, if it is your company policy to pay for training with an advance check, speak to our registrar about making the necessary arrangements.

Cancellation Policy

The following is the cancellation policy for open enrollment classes:

1. Cancellation requests must be received by Siemens no later than one week prior to the start of the class in order to qualify for a full refund.
2. Only 80% of the tuition will be refunded for cancellations made less than one week prior to the start of class.
3. You will be charged in full for students who fail to show up for class without prior notification.

Right to Cancellation

Siemens reserves the right to cancel a class and refund tuition if enrollment is insufficient to hold the class. We suggest refundable airline reservations or consulting with our registrar before booking non-refundable tickets.
